Things you need to know!

Updated May, 2017

PRIDE CAMP

- 2017-2018 Pride Season start date is July 24, 2017. It is usually scheduled about 3 ½ weeks prior to school the first day of school. *This is the Mandatory Camp*. Schedules are posted on the Pride website www.brokenarrowbands.com. There are 3 different schedules: color guard, percussion, and horn line.
- There is a uniform for rehearsals. The horn line and percussion wear white tee shirts and any shorts or pants. The color guard wears all black. Directors will give them this information.
- Color guard wears 2 costumes: A Show Costume and a "Practice Costume" that is worn at early season events until the Show Costumes are revealed. The practice costume will be chosen by color guard directors and distributed later in the summer. Girls will be sized for this uniform.
- Daily they will need: Large bottle water/jug of water, sack lunch (no soft drinks), good sunscreen, daily transportation to and from (they cannot be late). Good comfortable lace-up shoes are a must.
- Can't stress enough to limit or postpone other activities during Mandatory Camp. The students will be exhausted and need their rest.
- **Prompt arrival is a must.** At least 15-30 minutes before start, so they can get their instruments, bathroom, etc. and be on field or starting location at start time.
- Family & friends are welcome to watch at camp from outside the camp area; however, please do not distract students. Most stadium rehearsals are closed to the public, however, public viewings are announced periodically and are typically the final 30-45 minutes of a stadium rehearsal. The last few minutes are usually announcements and are very interesting to hear. Color guard practices are usually in band room or gym area.
- Have dentist appointments, doctor checkups, and school organized before season starts. Your student will have minimal time for these things until season is over.
- Have tune-ups and repairs of your instruments done during the summer.
- Some students will have to share a spot making them a "shadow".

PRIDE PRACTICE

- Make plans to watch practices in the stadium after pride camp, when they are open for viewing. Thursday nights are usually the best time to watch. It will help you identify where your students is on the field during performances. It lets your student know how much you care and support them. You can meet other parents, and you can learn a lot by listening to announcements given at the end of practice. Open rehearsal viewing times will be announced via social media.
 - Please be quiet and not distracting. The directors need the student's attention at this time.

CLOTHING & GEAR

- 2017-2018 Pride Uniform is primarily provided by the school, but accessory items are initially purchased via the student's Student Account:
 - Full marching uniform, top & bottom (Provided by School)

- Shako and shoes are the student's responsibility and must be brought to all performances. Please keep shako in plastic bag in shako box.
- Extra items such as gloves can be purchased before events in band room. You must have these items for each performance. No cash is taken for extra items. Students sign for these purchases with the uniform volunteers, and the charges are entered into the student's Charms account as a fixed payment.

There are usually Pride parents and friends close by wherever your tickets are. Prices for tickets are located on BOA website (www.musicforall.org).

MISCELLANEOUS TIPS

- **Sign up for e-news on www.brokenarrowpride.com. This will give you updates on things that happen throughout the year. Sign up is on the homepage.**
- Parents will be asked to provide cases of water for the pride for all contests. We want them to stay hydrated. So we ask that parents pick up a few cases of waters, and bring to the band room. It will be used for all away trips we go on. Usually bringing to a band parent meeting would be a great time.
- Attend Band Parent Meetings, 2nd Tuesday of each month August – May, held in the band room at the high school. You will get an update from directors and information about upcoming events, fundraisers and etc.
- Attend the football games. Pride will perform at halftime for home games and before the games at away games.
- At home football games, around 7:00 go to the top of the stadium and watch the pride and tradition march over from the practice area, this is a great photo opportunity. It is a wonderful sight to see. You don't want to miss it.
- Volunteer at events: this is a great way to meet other parents and learn about things. They sure don't mind to answer your questions and if they don't know the answer, they can find out who can.
- There is a PRIDE Banquet in the spring of each year; each Pride student will get a ticket to the banquet as long as their account has been paid in full. Anyone can attend the banquet, so tickets for parents, grandparents, and friends will be available at Band Parent meetings. Some choose to dress up for the event and some come casual, it is totally up to you. Date, time and location will be determined closer to event, usually in April.
- Auditions for All State and All District Bands are right at the end of Pride Season. Make room for practice time and get extra private lessons if needed. Your kid's band director can give you a list of instructors.
- Private lessons are a huge plus and for some a must for your student to compete at this level. List of instructors is available from your band director.

the Pride

EVERYTHING YOU WANTED TO KNOW ABOUT PRIDE BUT WERE AFRAID TO ASK
Frequently Asked Questions (FAQ)
Updated May, 2017

What is my Student Account? – An individual account that is set up for each Pride member and housed under the Broken Arrow High School's bank. Funds raised by or paid by an individual Pride member to pay his or her PRIDE fees. Includes all meals prior/during football games and contests, 1 Uniform T-Shirt, 1 "Show" T-Shirt, supplementary instructional fees, and all costs for overnight trips such as transportation and lodging. Depending on trip destinations, costs have ranged \$1800 - \$2300. The color guard usually has some extra expense throughout the year such as specialty items and their competition uniform. The BABPA is working to reduce these expenses through Corporate Sponsorships and Special Events. Student account activity can be tracked through the use of the web-based software Charms at www.charmsoffice.com. See more regarding charms under 'BA Band Terms and Acronyms' as well as www.brokenarrowpride.com.

What is the Booster Account? – Funds which are raised to go to Band Activity Accounts at the middle, intermediate and senior high schools. These funds are used for any purchases that the directors deem necessary for their band programs.

What is Concessions? – The Band Parent Association mans all concessions at the Broken Arrow Public Schools football stadiums. Monies from the Freshman Academy and Tiger Field are divided between all the band programs, 6th – 12th grade.

What are Paid Events? – Parents of Pride and Tradition Members have opportunities to work events at Expo Square and these monies go directly to their Student Account. Parents and students may also work Concessions at non-BA Schools and professional events held at Tiger Field for their Student Account Money. Students may also raise money for their Student Accounts by working stadium clean-up. The hourly rate for all of these Paid Events is \$8.00 per hour. In all cases a direct credit will be made to the Student Account for the hours worked, and no cash will be dispersed.

Who are the Chaperones? – Pride parents chaperone trips the Pride takes including to and from football games and contests. Parents also chaperone the overnight contest and are selected by the directors based, in part, upon the number of hours they volunteer during a certain time period. All chaperones will be required to submit a background check, conducted at expense of BAPS, and to sign affidavits attesting that they have no felony convictions.

What is the Band Parent Association (BPA) - The organization comprised of all parents who have a child active in the Broken Arrow Schools Band Program, grades 6 -12.

Do I have to do a Fundraiser? No. Fundraising opportunities are given throughout the year to raise money for individual Student Accounts. Direct payment to the Student Accounts may be made either in a lump sum or on a payment plan. Student Account balances are due in full prior to the out-of-state contests. Credit cards are not yet accepted, but this may change soon. Checks issued by credit card companies that are in turn charged to your credit card can be accepted.

What if I have money left in a Student Account when my child graduates or is no longer in Pride? If you have made direct payments into your Student Account and have receipts/cancelled checks, a refund may be requested. If you have a younger child who will be a future member of the Pride, you can save the Student Account money for them to use at a future date. You can also "will" the money to future Pride members to be distributed at the discretion of the band directors (e.g. hardship instances.) Money made through fundraisers or paid events are not refundable.

Who pays for uniforms? Basic uniforms (purchased from bond funds) are loaned to Pride members. Pride members are responsible for purchasing individual items such as color guard jackets/warm-ups. (NOTE: 1 Uniform T-Shirt, 1 "Show" Shirt will be provided... any additional quantities may be purchased through the Uniform Committee.) Other items are offered for sale, such as Pride tote bags and various T-shirts and are available at all Band Parent meetings. Pride letter jackets are available at Yvonne's Monograms and are optional.

When are the Band Parent Association (BPA) Meetings? General Meetings are usually held the second Tuesday of each month at 7:00 pm in the Broken Arrow High School Band Room. They generally last 1 – 1½ hours. Plan to attend; a lot of information is given out at these meetings.

What are the contests in which the Pride will participate? The Pride will be competing in 2 out-of-state contests. These include the Bands of America (BOA) Regional Competition in St. Louis, MO. in October, and the BOA Grand National Competition in Indianapolis, IN, in November.

In-state contests may include a local invitational, as well as, the Oklahoma Bandmaster Association (OBA) State Competition in October, which are held in various intra-state locations. Contests are required for Pride members. Parents may attend and ticket information is available at BPA General Meetings.

What kind of time commitment will my child have by being in the Pride? There are 3 Horn Line Mini Camps scheduled throughout the summer beginning in May. They will rehearse from 12-5 pm on the following dates: May 23-25, June 6-8, and July 11-13. Mandatory marching rehearsals begin in July and continue through November, taking approximately 10-15 hours per week. Many times specific sections (i.e. percussion, low brass, woodwind, etc.) will rehearse additional hours during the week. Color Guard rehearses approximately 10-15 hours per week.

This doesn't include the time the Pride is traveling and attending a football game or band contest.

A home football game includes a rehearsal, meal, Pre-Game preparations, and the actual game. Students are typically involved with a home game from 3:30 pm until 10:30 pm.

An away football game includes a rehearsal, meal, travel, the game, and travel back to Broken Arrow. Students are typically involved in an away game from 3:30 pm until 11:30 pm.

Band Contests occur most Saturdays in October and the last weekend of September. Band contests are typically all day events. Detailed itineraries are available at band parent meetings, distributed to the students, via eNews and the Broken Arrow band's website.

Are we allowed to watch the Pride during rehearsals? Yes, you are allowed to watch the kids, but please do not distract the kids. They are practicing and this is a very important time for the directors. Also, please keep the noise down; directors are trying to give instruction. During Pride Camp, you are welcome to watch from outside the camp area. Color guard practices are usually held in the gym or band room. Thursday evenings (after season has started) the stadium opens to spectators at 8:30 pm. It is a great time to come watch the kids. You will be able to locate your kid on the field and see what all they have accomplished. **Please do not enter stadium seats until 8:30 pm.**
