Other important information:

*We will send a mass email to everyone on the distribution list each time we have a new job so that everyone has the same opportunity to work. If you see something you want to work you need to respond ASAP. Please be sure you can work before signing up and then be sure to put the dates on your calendar. ***These organizations are counting on us to be there.***

* You can work year-round raising money for your student's account–this helps when Pride payment due dates come around!

*Also, any family member 16 years of age or older can work for your student. Grandparent, aunts, uncles, etc. (Drillers allows 14 & 15 year-olds if a parent works with them.)

*EVERYONE must have a food handlers permit to work. You can obtain this free and online at [Tulsa Health Department Website](#). Go through the process and you will print your permit at the end. Bring your permit with you to work events.
