

Please inform your staff & band parents:

NO VIDEO OR AUDIO RECORDING EQUIPMENT WILL BE ALLOWED IN THE STADIUM

Broken Arrow Bands has contracted to have the Broken Arrow Invitational professionally videotaped.

In order to make this a viable endeavor for a professional video production company, no personal recording devices—video or audio—will be allowed into stadium. The video production company will bring to the event site professional staff and videotaping equipment, as well as production and editing equipment.

This policy also enables Broken Arrow Bands to comply with the United States copyright laws prohibiting the recording of copyrighted material without consent of the copyright holders. Broken Arrow Bands asks your assistance in making this clear to your band parents to avoid unnecessary embarrassment and misunderstandings at the event. Thank you for your understanding.

Family, friends and fans may take still photos of the BAI for personal use only. The images may not be sold or otherwise distributed, without the written permission of Broken Arrow Bands. Any still camera (making film or digital still pictures) is allowed into and may be used from the spectator seating area of any venue. Tripods or other similar equipment that may obstruct the view or path of travel of others in seating areas are also not allowed. Cameras (of any kind) may NOT be used on the field. (People with field passes or name badges must go into the stands to take still pictures.)
