#### "Home Base" at Westmoore HS

We will all try to stay in the same area with all of our belongings, usually right outside the media center in the commons area. You need to stay close to this area after you finish playing so that we can make a list of those riding back on the early return bus.

#### Percussion Students

Percussion students will be responsible for loading, unloading and keeping track of all of the percussion equipment that we are taking. Please do not let students from other schools use our equipment without permission. When you are finished with the equipment, please load it back onto the truck. This will help greatly when it is time to leave, especially if you will leave on the early bus!

#### Attire

This is a blind audition, however appearance is important. The school's dress code is in effect. Please dress comfortably, but professional. No pajama pants or inappropriate T-shirts.

#### Food

All meals for this trip are at your own expense. There will be a concession stand set up for you to purchase your own meal at a time that is convenient in your day while at the audition site. Plan appropriately for the amount of money you plan to bring with you.

#### Personal Items

Broken Arrow Public Schools and band directors are not responsible for your personal belongings. We advise against bringing unnecessary electronic devices that cannot remain under your supervision at all times.

#### Conduct

Please continue to be mindful of our obligation to uphold our band program's tradition and character. As always, maintain a "First Class" attitude in all of your interactions with each other and with members from other schools throughout your day.
