Set-up Crew (Percussionists)

The percussionists will assist the contest staff with the band set up on stage. This involves setting the chairs, stands and percussion equipment. A detailed list will be provided that describes what your set up responsibility.

Work first to set up your rows and then the percussion equipment. Be sure to keep the rows close together; we don't want a lot of room in between rows. Remember, you are the first impression that the judges have of this ensemble. Please, represent us in an organized and professional manner.
