- A food handler's permit is required for the work we do. You can obtain the permit free and online at <http://www.tulsa-health.org/food-safety/food-classes-permits/volunteer-classes> or you can go to the Health Department
- Drillers Baseball - 16 games left in the season (plus the possibility of playoff games).
- Tulsa Roughnecks Soccer – 3 games left in season.
- Expo - We will need lots of workers for the Tulsa State Fair. (We've had families plan vacation time during the fair so that they could work many, if not all of the days, and fund their whole Pride account.) Other Expo opportunities will come up throughout the year such as Boat Shows, Car Shows, Gun Shows, etc.
- There are a few other fundraising opportunities that come up from companies that use us once or twice a year. Email notices will be sent out about these just the same as any other event.
