* Black Pride BA VOLUNTEER Shirts are available in the Pride Store for \$10. May be worn to work opportunity events as appropriate and many other volunteer opportunities in our program.

** All earnings are tax free and do not show as income to you. You do not see the money. The money goes from the organization straight to the school and then directly into your student's account.

Other important information:

*We will send email to everyone on the distribution list each time we have a new job so that everyone has the same opportunity to work. If you see something you want to work you need to respond ASAP. Please be sure you can work before signing up and then be sure to put the dates on your calendar. **These organizations and cleanup crew are counting on us to be there.**

* You can work year-round raising money for your student's account–this helps when Pride payment due dates come around!

*Also, any family member 16 years of age or older can work for your student at most events. Grandparent, aunts, uncles, etc. (Drillers allows 14 & 15 year-olds if a parent works with them.). Those working BOK must be 18 or older.

*EVERYONE must have a food handlers permit to work concessions. You can obtain this free and online at [Tulsa Health Department Website](http://www.tulsa-health.org/food-safety/food-classes-permits/volunteer-classes). (<http://www.tulsa-health.org/food-safety/food-classes-permits/volunteer-classes>) Go through the process and you will print your permit at the end. Bring your permit with you to work events.
